

A TRUSTED SERVICE, BROUGHT TO YOU BY ISIMIO

Send your messy admin. Get finished work back.

🔥 Notes, photos, voice memos, half-written drafts — send whatever you've got and receive a polished, professional document within 24 hours. Every one reviewed by a human before it reaches you. ✓

You send

Rough notes, recordings, photos, drafts — in whatever state they're in.

We produce & review

AI does the heavy lifting; a senior professional checks every output.

You receive

A finished, professional document — usually within 24 hours.

WHAT WE PRODUCE

Candidate submission profiles

Client proposals

Tender & bid responses

Compliance & policy documents

Reports & account reviews

Job adverts

Meeting minutes

Client correspondence

... and any recurring written task

"Built by someone who spent over a decade leading UK government programmes worth hundreds of millions of pounds — every output carries that same standard of rigour."

David Race — Founder, Stratiform AI | Author of the Amazon #1 bestseller *Fixing the Flow*

YOUR DATA IS HANDLED PROPERLY

ICO-registered

Registered with the UK's data protection regulator and fully GDPR-compliant.

Enterprise-grade

All work processed inside infrastructure certified to ISO 27001 and SOC 2.

Never used to train AI

Your data is never fed to public AI tools or used to train any model.

Secure handover

Sensitive material routes through a dedicated secure channel, never email.

Your first task is free

Send one document — no cost, no commitment — and see the quality for yourself. Ask your contact at **Isimio**, or get in touch at info@stratiform-ai.com.
